MIG QUALITY POLICY

Morris Infrastructure group adopts a customer first approach which ensures clients and external providers needs and expectations a determined and their requirements are met.

Quality In The Workplace

This is accomplished by assuring;

- Customer and applicable statutory and regulatory requirements are determined, understood and consistently met,
- The risks and opportunities that can affect conformity of products and services and the ability to enhance customer satisfaction are determined and addressed,

- The focus on enhancing customer satisfaction is maintained,
- Product and service conformity and on time delivery performance are measured and appropriate action is taken if planned results are not, or will not, be achieved.
