

MIG Safety Policy

Above, below and everything in between

MIG SAFETY POLICY

Morris Infrastructure Group and its officers recognize that the health and safety of all workers and visitors is of the utmost importance and vital to the success of our business. As such we aim to continuously improve safety and environmental impacts in the workplace through consultation, review and awareness of management and workers.

Health and Safety In The Workplace

Through the co-operative efforts of management and workers, we are committed to:

- providing a safe environment for all workers and visitors to our workplace
- meeting compliance obligations
- preventing injury and ill health
- providing and maintaining buildings, equipment and plant in safe working condition
- supporting the ongoing training and assessment of workers
- developing, implementing and monitoring safe work practices
- continuously improving the standards of health and safety in the workplace
- managing risks in the workplace
- providing information, instruction and supervision.
